Commissioner for Patents

This communication is per the request of the applicant's representative, Mr. Robert Brown. After the examiner's amendment, there are two identical claims (claims 12 and 13) depending on independent claim 1. Applicant would like to make change to place claim 13 depending on claim 2. Examiner has verified this with SPE and received approval since this does not change the scope of the claim. This change will be made using the certificate of correction.
